AUTHORIZATION FOR PETITION AND FEE

Commissioner for Patents

Sir:

Applicants believe that no extension is required and no petition with fee is due, since a response to the Final Office Action was filed on November 20, 2007 within two months of the mail date of the Final Office Action, but the Advisory Action was not generated until January 24, 2008.

Should any extension period be required for entry of the accompanying Request for Continued Examination (RCE), this submission is to be interpreted as a petition and authorization to charge Deposit Account 50-0510 for the requisite fee.

Respectfully submitted,
Erickson, et al
